## ACCOMMODATIONS TIPS:

*Hotel A'Mare* is a modern, recently opened 3-star city hotel located just a short walk from the old town, 20-min from ICUA Zadar spot. [www.hotelamare.com](http://www.hotelamare.com)

*Hotel Kolovare* is 4-star hotel situated near the beach and the old town, 20 min pleasant walk to the ICUA's place. <https://hotel-kolovare.com/>

Within the historic city peninsula, we recommend three hotels:

*Hotel Teatro Verdi* – a boutique hotel located 5 min from ICUA's place: [www.teatro-verdi.com](http://www.teatro-verdi.com)

*Hotel Almayer* – art & heritage hotel, situated just around the corner: <https://www.almayer.hr/en>

*Hotel Bastion* is elegant boutique hotel integrated into the city's historic fortifications, 3 min from ICUA's place <https://www.hotel-bastion.hr>

Hotels Teatro Verdi, Almayer, and Bastion are boutique properties in the old town, offering distinctive heritage and as such, they are slightly more expensive than other options. But booking in advance always means cheaper rates.
